

**Directions: Directions:** Complete this form after you have finished researching the history of your chosen “e-cessory.” Submit to your teacher along with the Research Evaluation Rubric.

1. What “e-cessory” did you select that answers this question: "What electronic device (e-cessory) has had the greatest impact upon your life or the life of your friends, family, or community?"
2. Justify your selection in terms of the impact of this “e-cessory” on the lives of people.

Your research includes four inventions or historical events that impacted the development of your chosen “e-cessory.” Briefly outline your answers to the following questions by completing the chart.

What 4 events or inventions did you select?

In what historical era or time period did each occur?

Who are the significant individuals or groups associated with this event or invention?

Why is this event or invention important to the development of your chosen e-cessory?

Invention/development	Historical Era	People/groups	Importance
